

With Changelly, you can convert fiat currencies to cryptocurrencies, and deposit into your Deriv cryptocurrency account. It's a crypto exchange that's speedy, safe, and available worldwide.

Currency
USD

Processing time
Your deposits may take 5-30 minutes to be processed, depending on the exchange amount and the blockchain capacity.

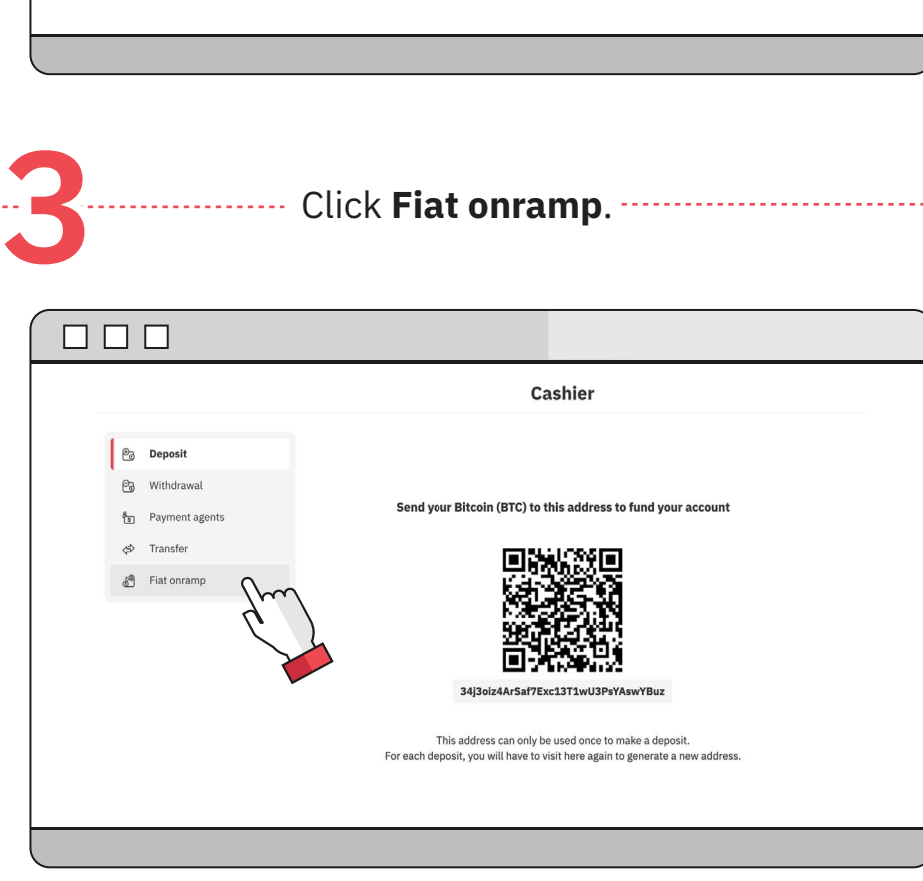

Min-max deposit
50 - 5,000

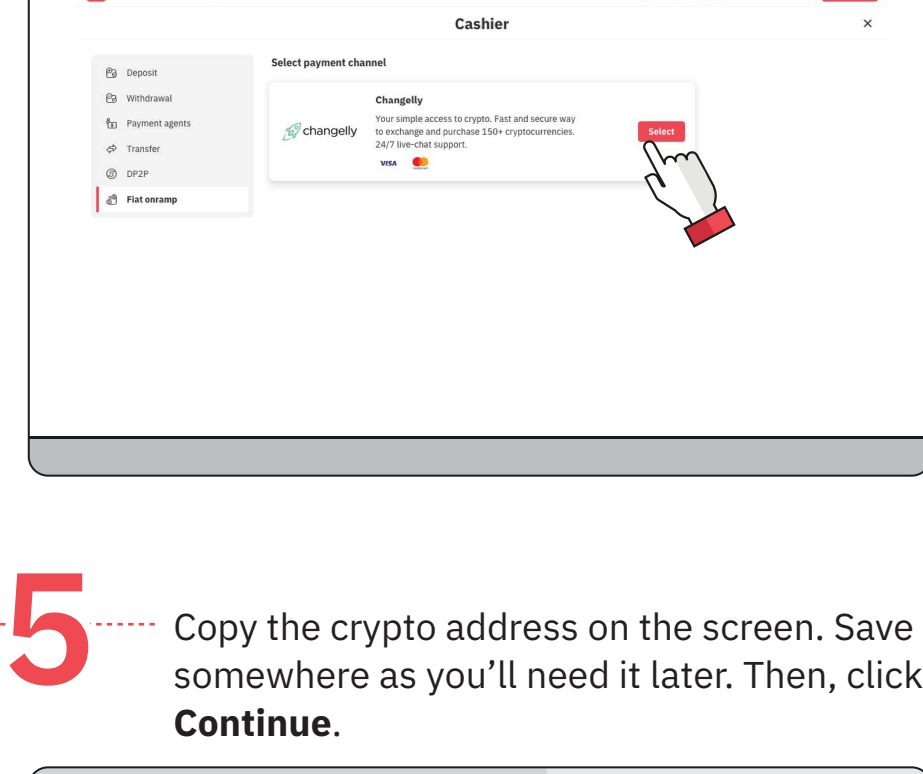

How to make a deposit

- Step 1

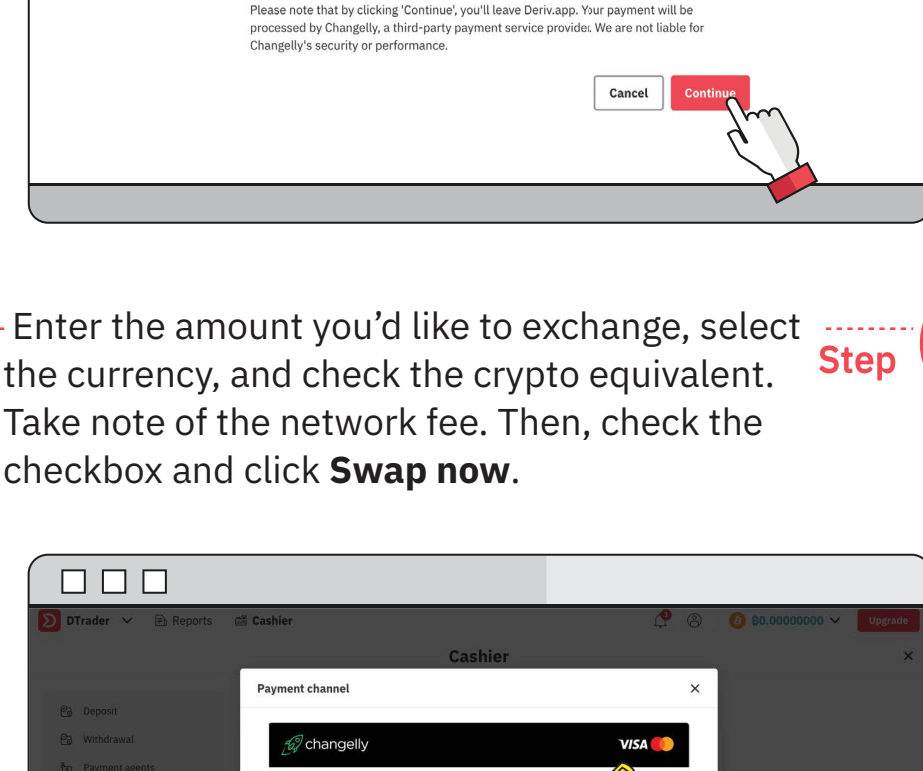

Log in to **app.deriv.com** and switch to your cryptocurrency account.

- Step 2

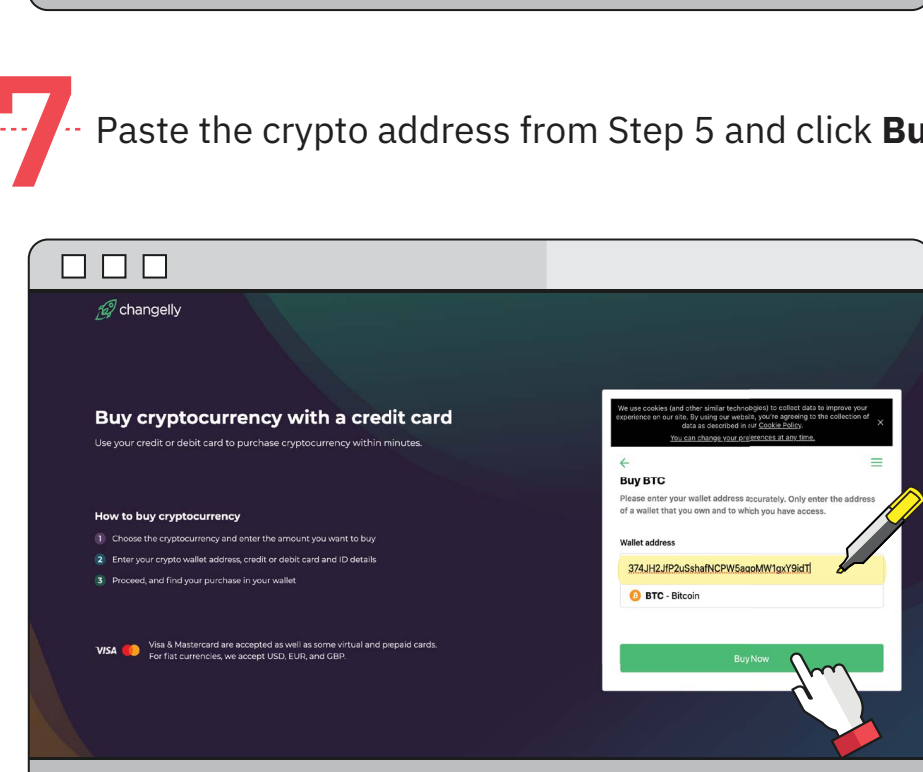

Click **Cashier**.

- Step 3

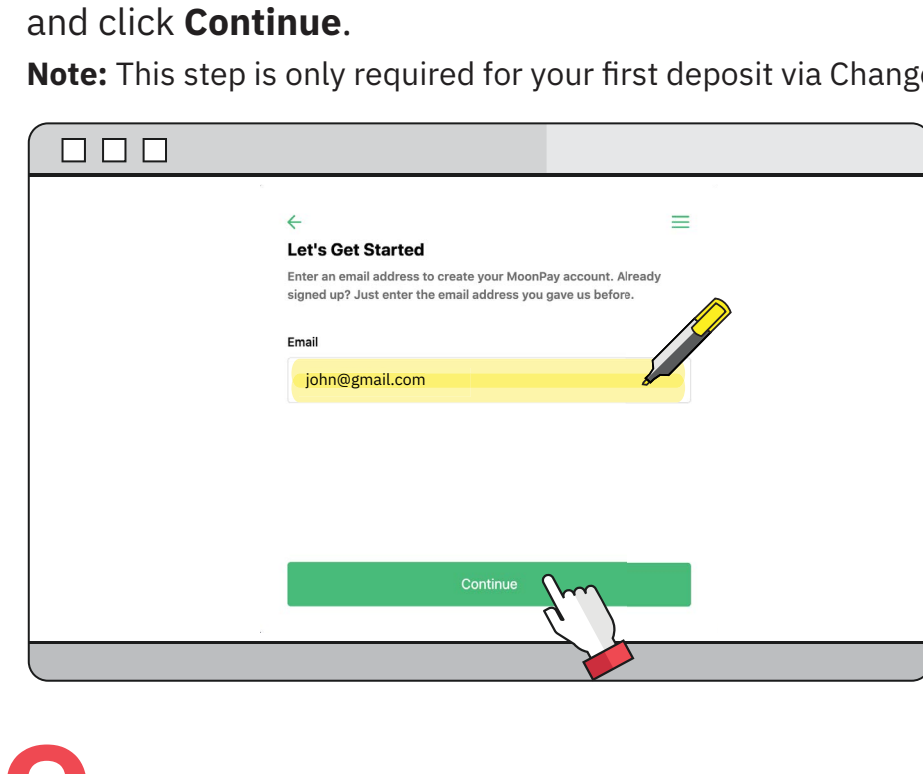

Click **Fiat on ramp**.

- Step 4

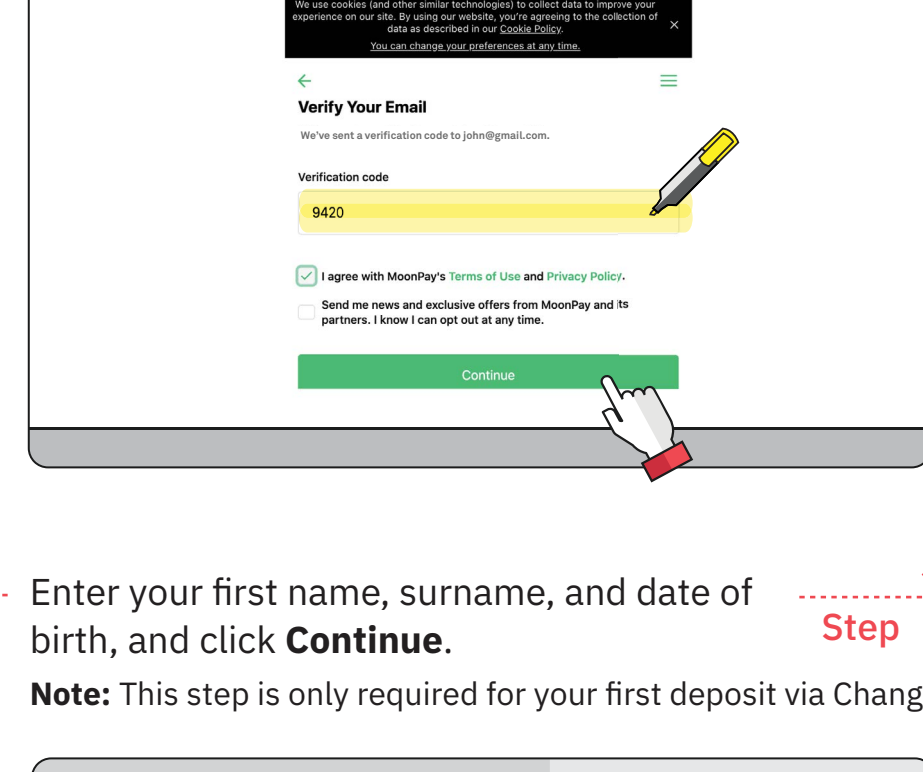

Select **Changelly**.

- Step 5

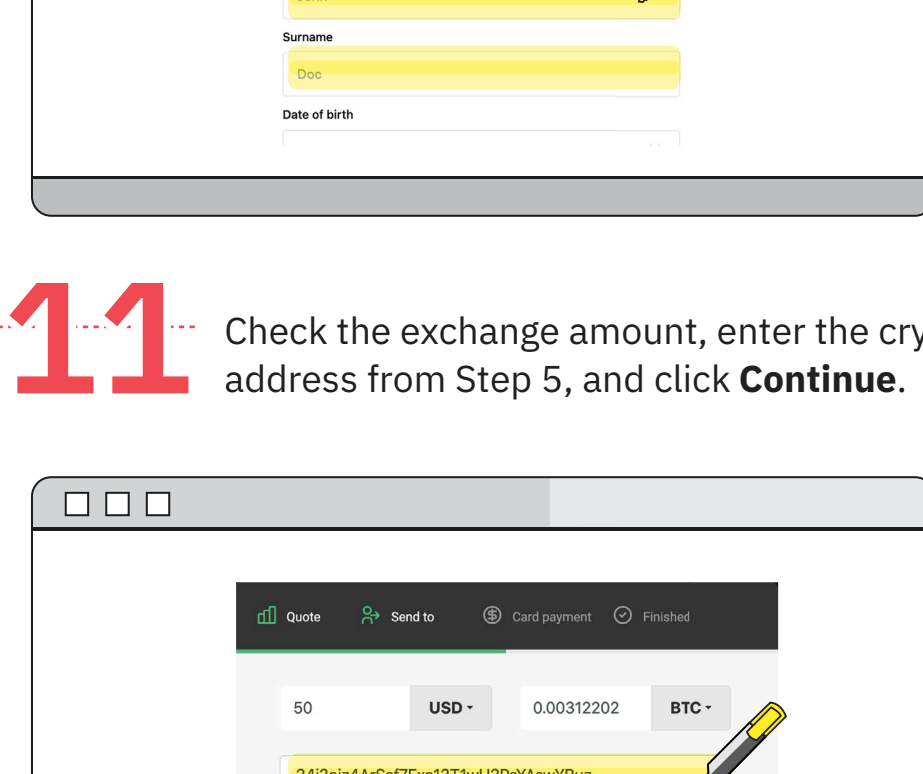

Copy the crypto address on the screen. Save it somewhere as you'll need it later. Then, click **Continue**.

- Step 6

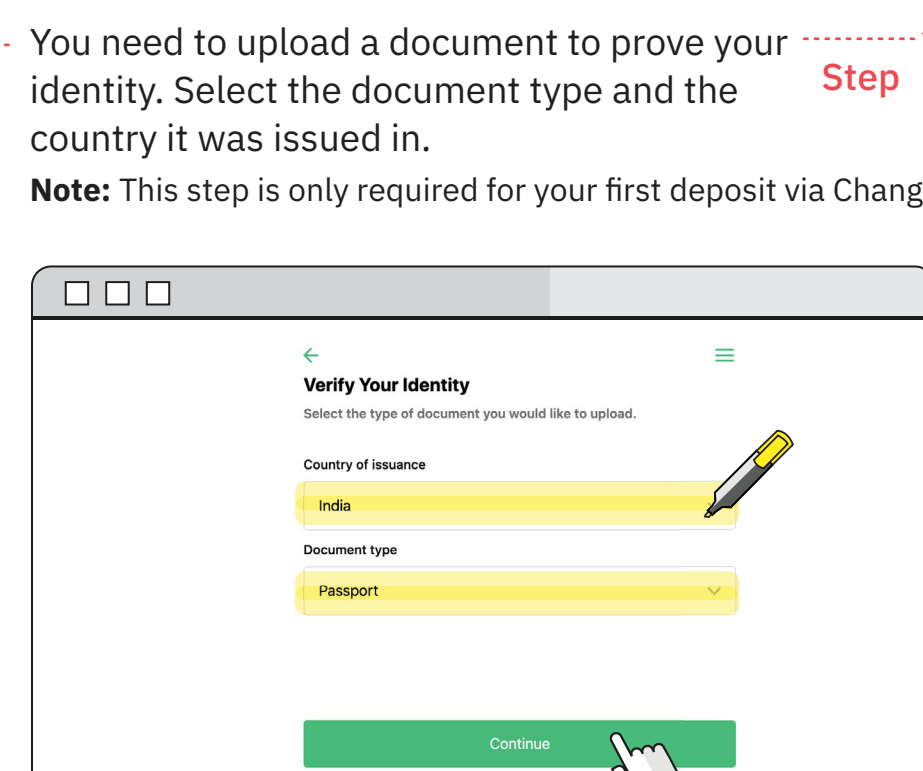

Enter the amount you'd like to exchange, select the currency, and check the crypto equivalent. Take note of the network fee. Then, check the checkbox and click **Swap now**.

- Step 7

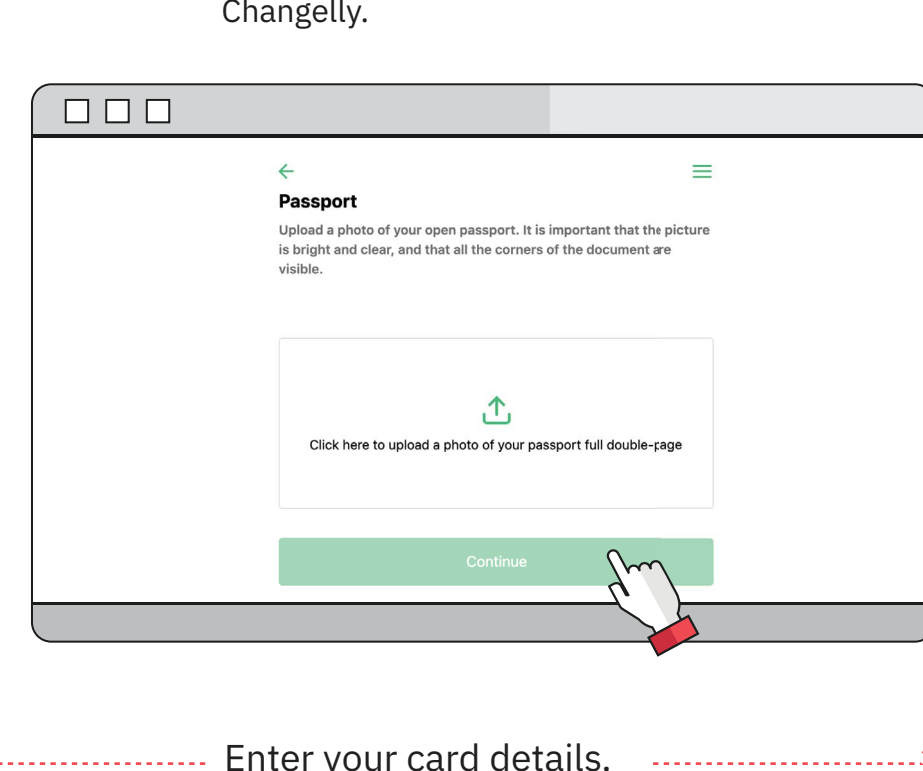

Paste the crypto address from Step 5 and click **Buy Now**.

- Step 8

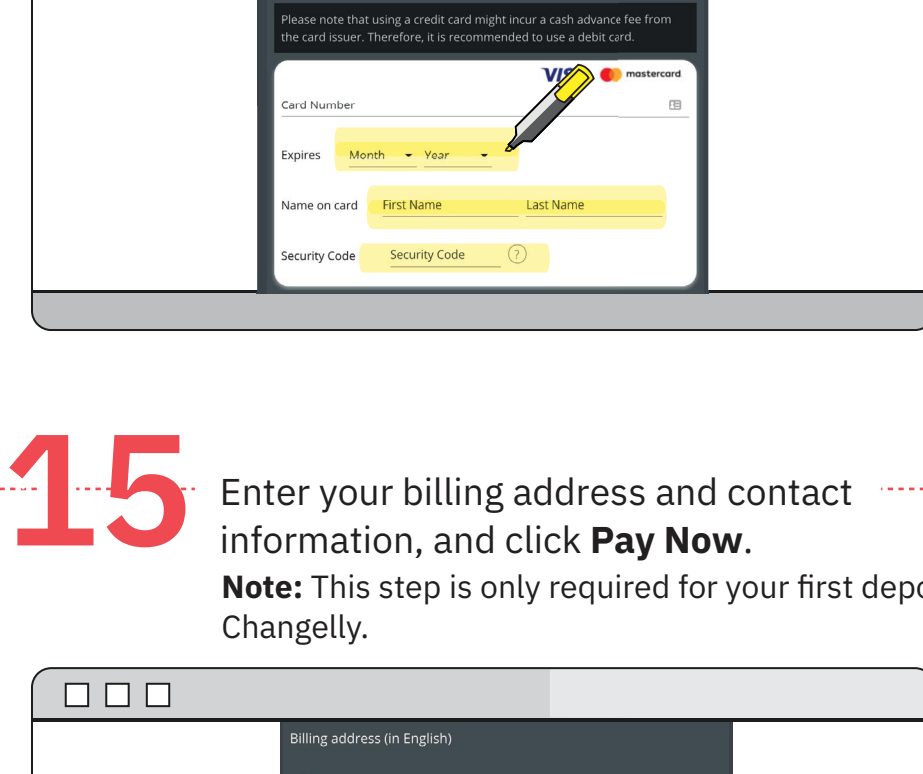

Changelly operates within the MoonPay marketplace. You'll need a MoonPay account to exchange currencies via Changelly. Enter your email address to create your MoonPay account, and click **Continue**.
Note: This step is only required for your first deposit via Changelly.

- Step 9

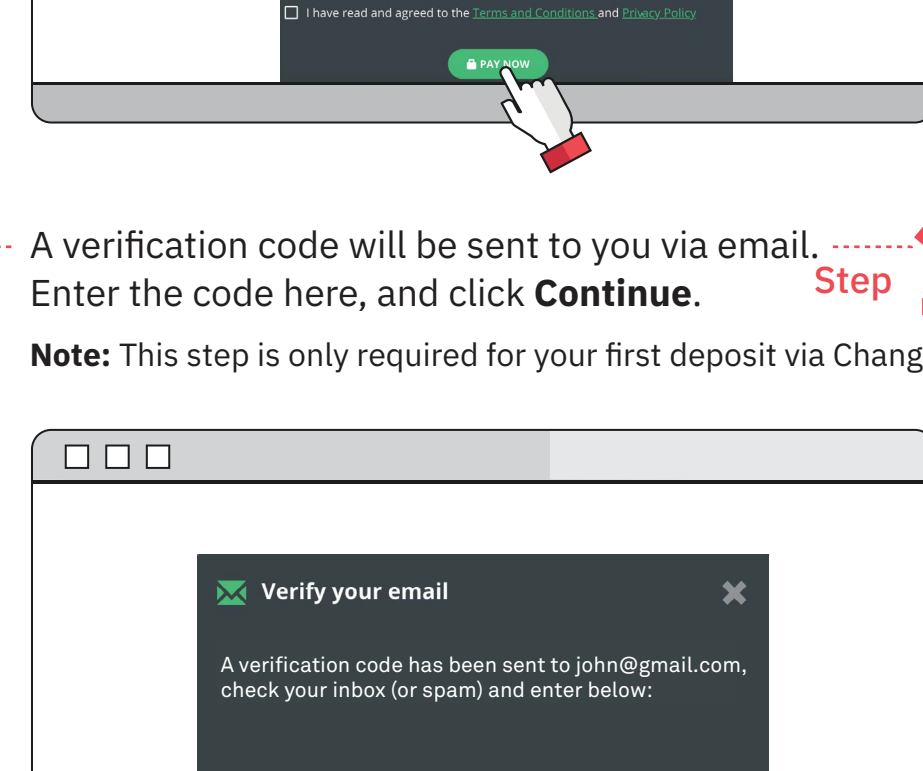

A verification code will be sent to you via email. Copy the verification code from the email, check the first checkbox, and click **Continue**.
Note: This step is only required for your first deposit via Changelly.

- Step 10

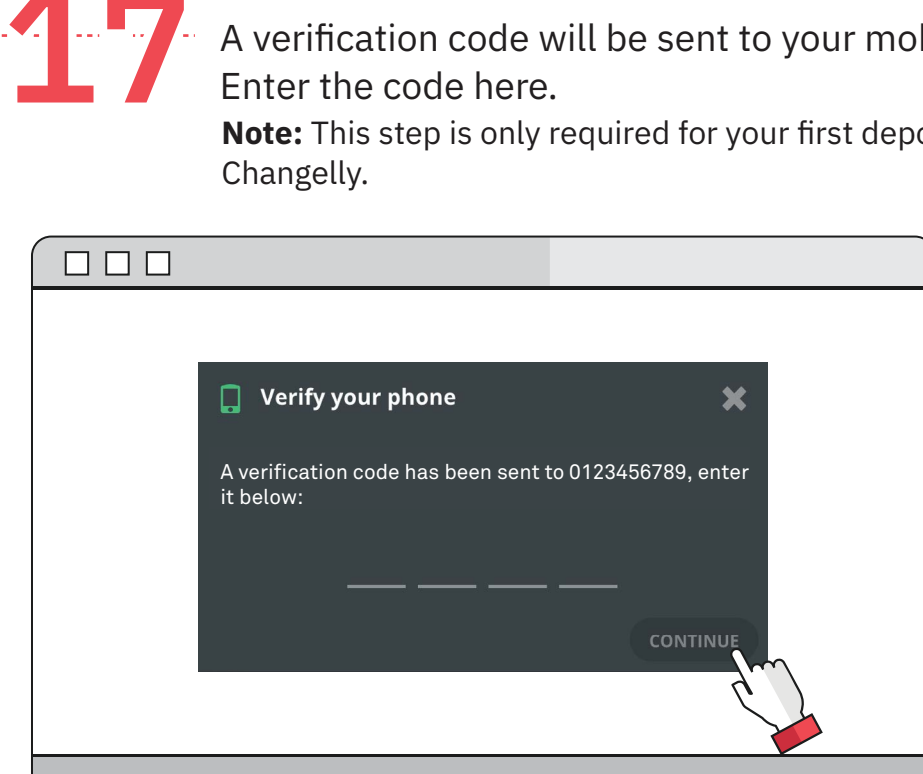

Enter your first name, surname, and date of birth, and click **Continue**.
Note: This step is only required for your first deposit via Changelly.

- Step 11

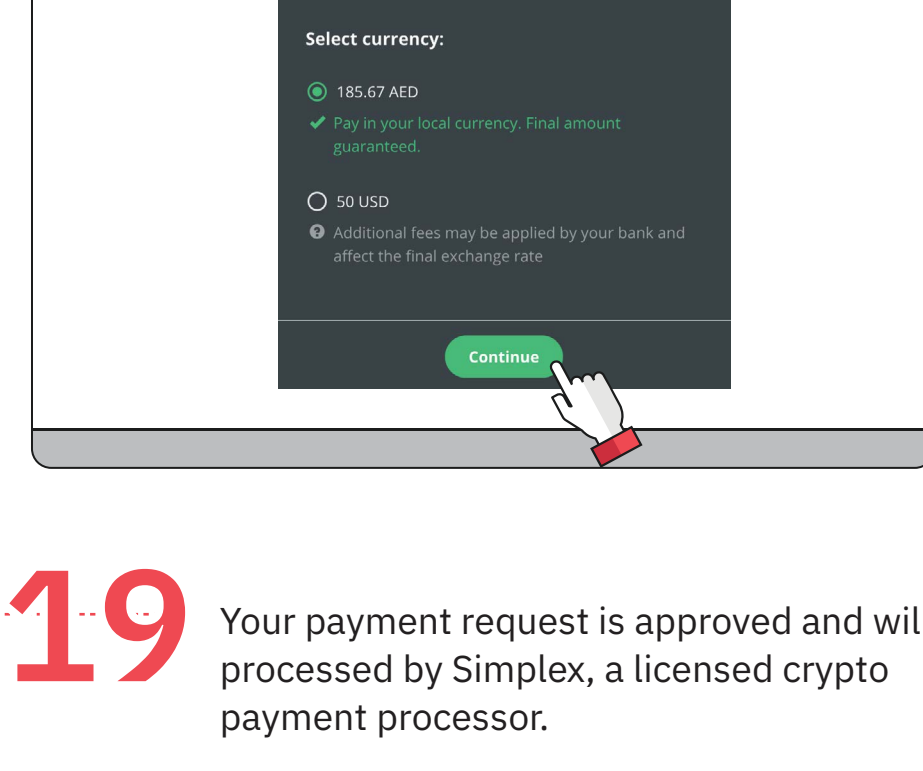

Check the exchange amount, enter the crypto address from Step 5, and click **Continue**.

- Step 12

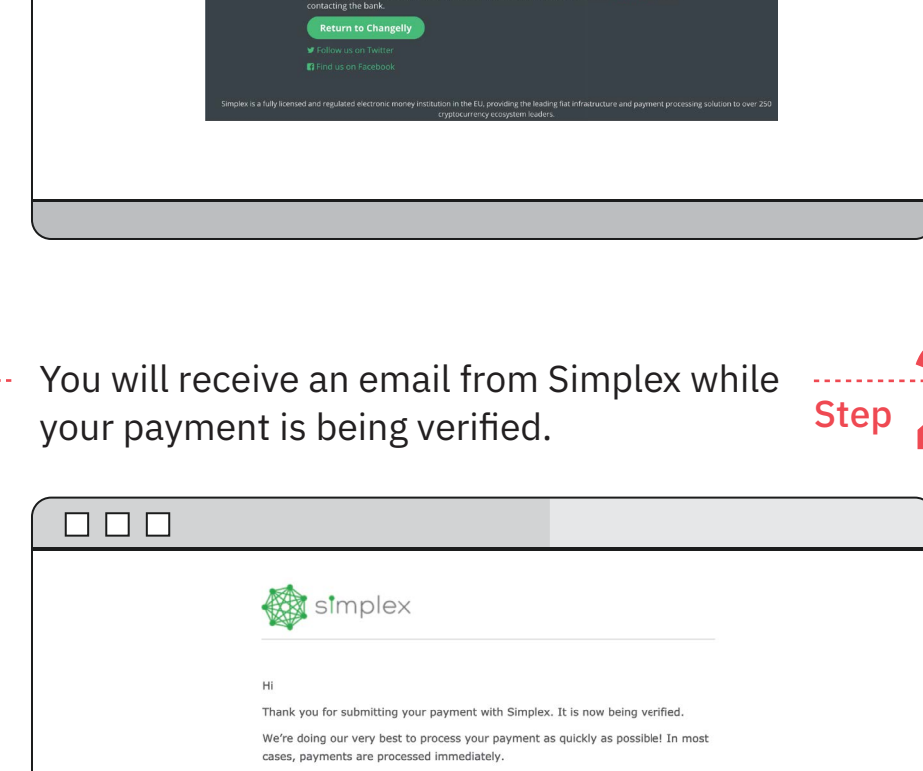

You need to upload a document to prove your identity. Select the document type and the country it was issued in.
Note: This step is only required for your first deposit via Changelly.

- Step 13

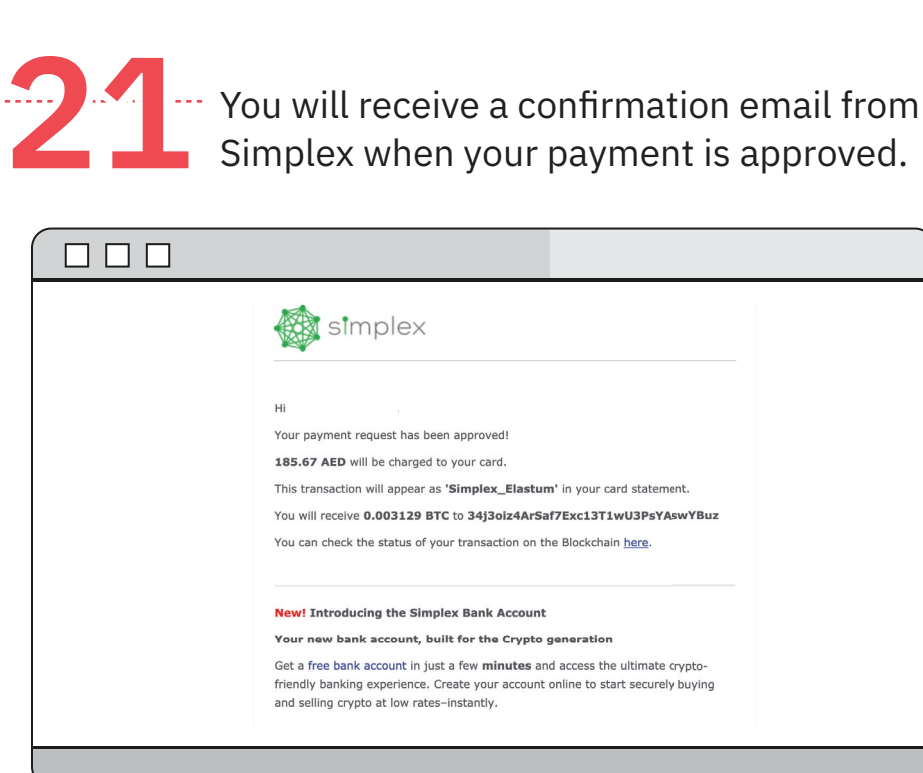

Upload a clear photo of your identity document and click **Continue**.
Note: This step is only required for your first deposit via Changelly.

- Step 14

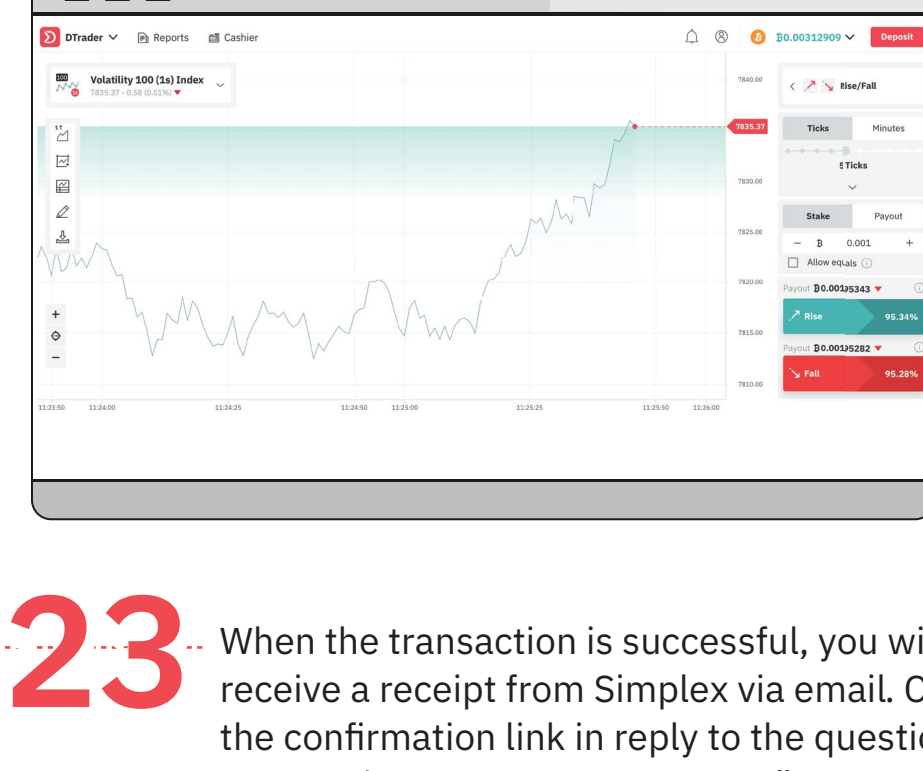

Enter your card details.

- Step 15

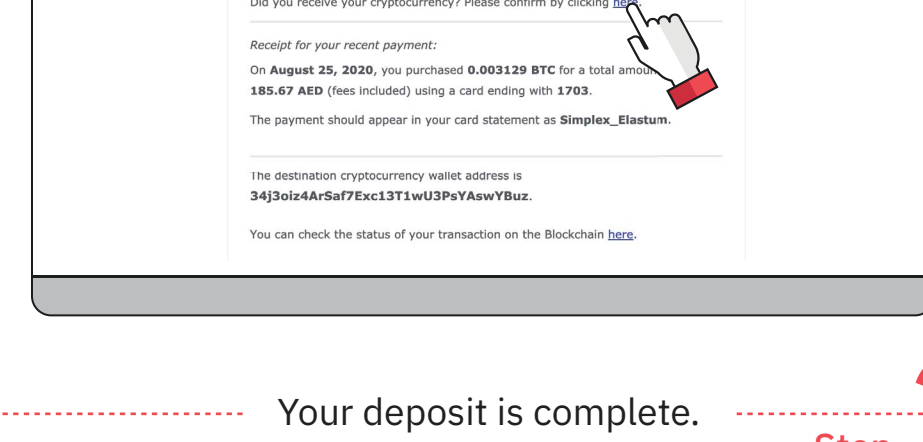

Enter your billing address and contact information, and click **Pay Now**.
Note: This step is only required for your first deposit via Changelly.

- Step 16

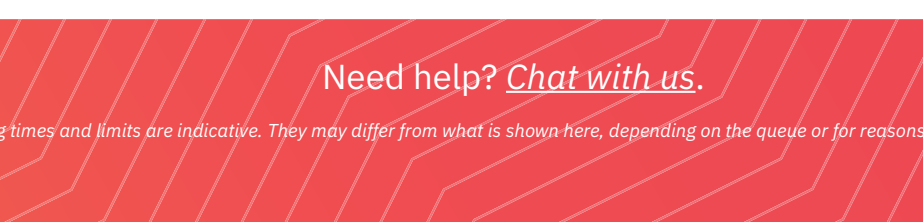

A verification code will be sent to you via email. Enter the code here, and click **Continue**.
Note: This step is only required for your first deposit via Changelly.

- Step 17

A verification code will be sent to your mobile. Enter the code here.
Note: This step is only required for your first deposit via Changelly.

- Step 18

Select the currency you'd like to pay with and click **Continue**.

- Step 19

Your payment request is approved and will be processed by Simplex, a licensed crypto payment processor.

- Step 20

You will receive an email from Simplex while your payment is being verified.

- Step 21

You will receive a confirmation email from Simplex when your payment is approved.

- Step 22

Your funds will be available in your Deriv crypto account.

- Step 23

When the transaction is successful, you will receive a receipt from Simplex via email. Click the confirmation link in reply to the question "Did you receive your cryptocurrency?".

- Step 24

Your deposit is complete.
