## How to make a deposit

**Step 1** Log in to your Deriv account and click on Cashier.

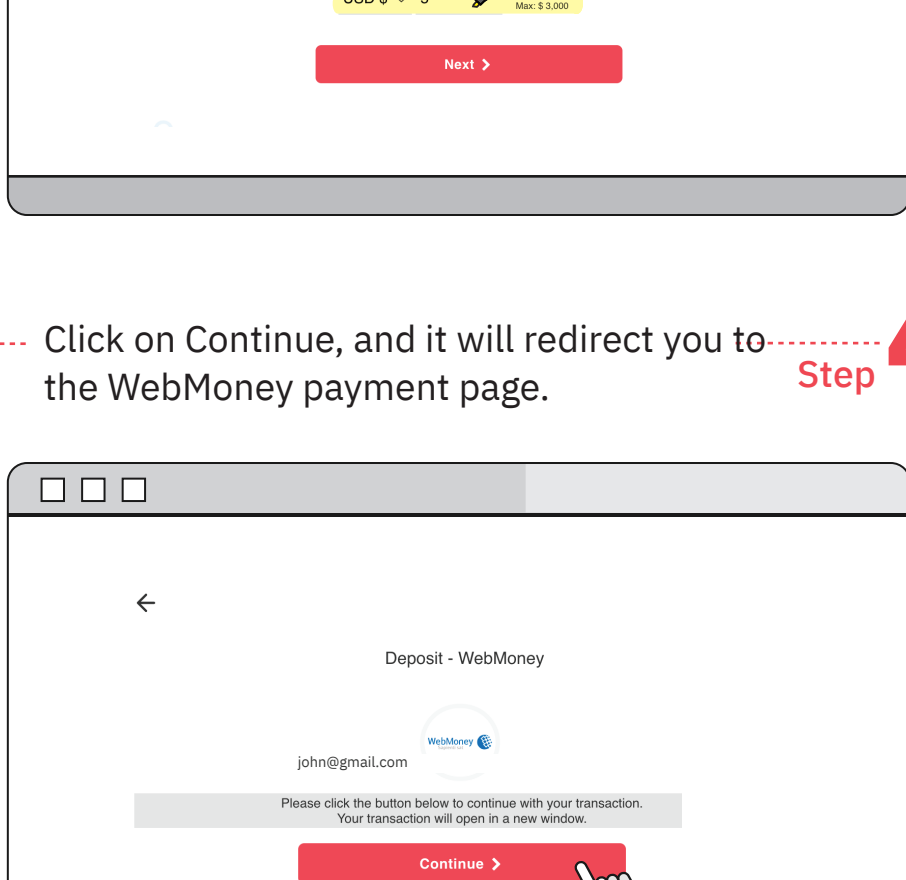

Select your desired deposit method. (In this case, it would be WebMoney.)

**Step 2**

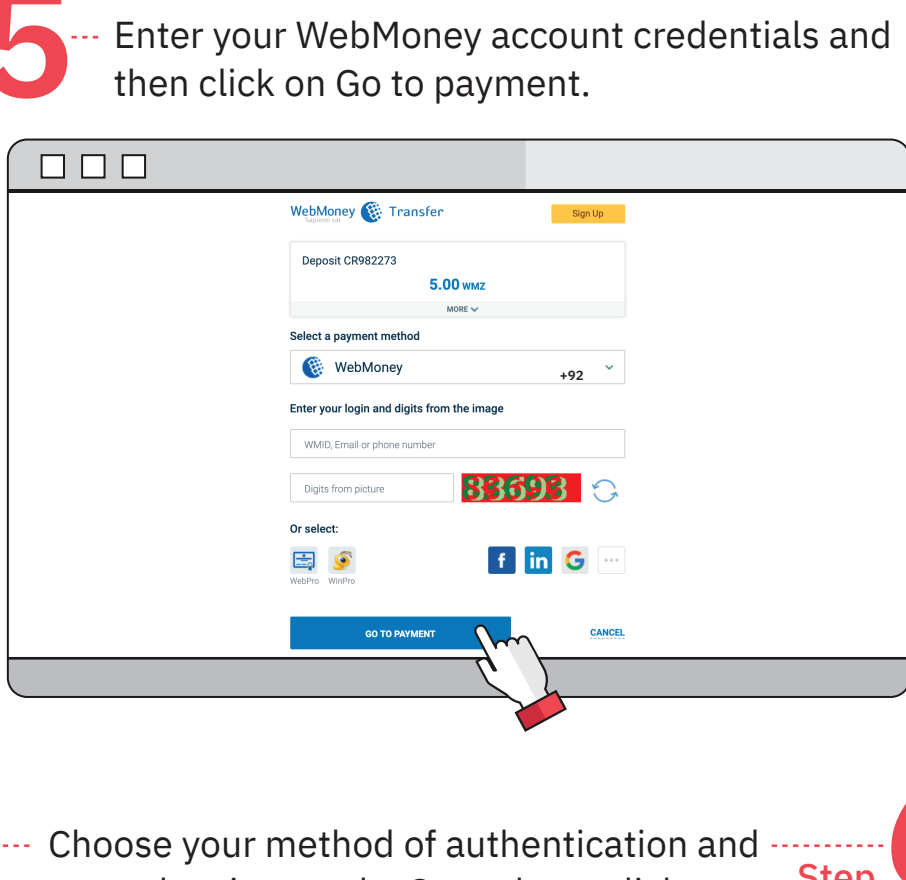

**Step 3** Type in the amount that you wish to deposit.

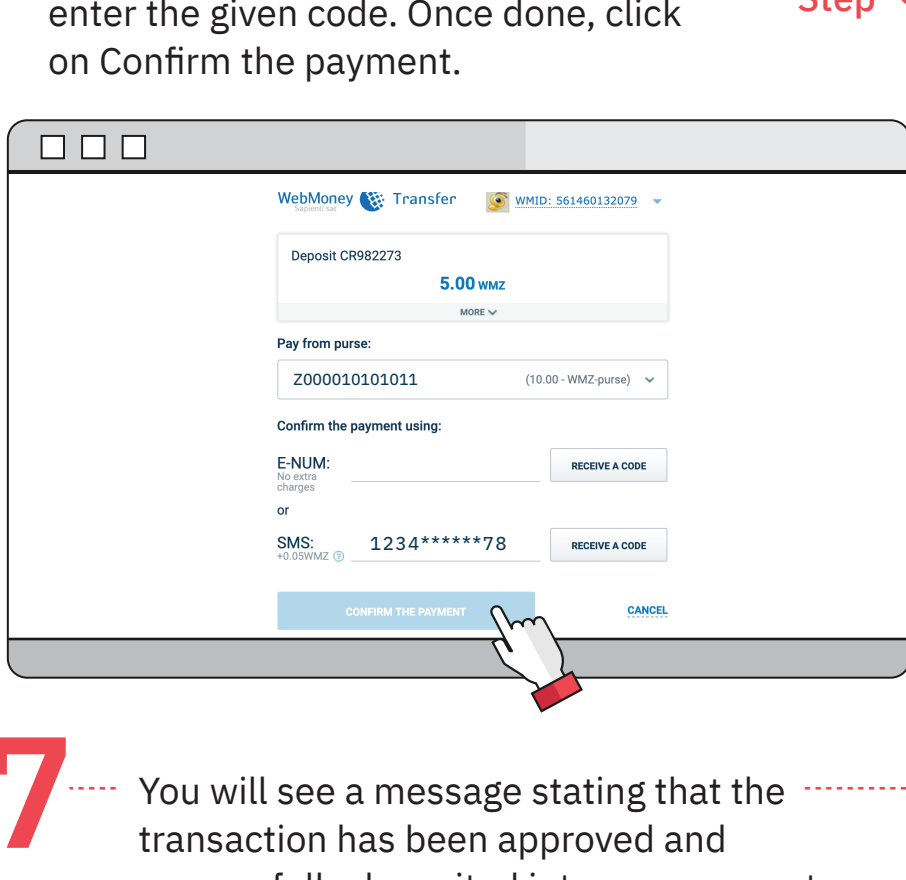

Click on Continue, and it will redirect you to the WebMoney payment page.

**Step 4**

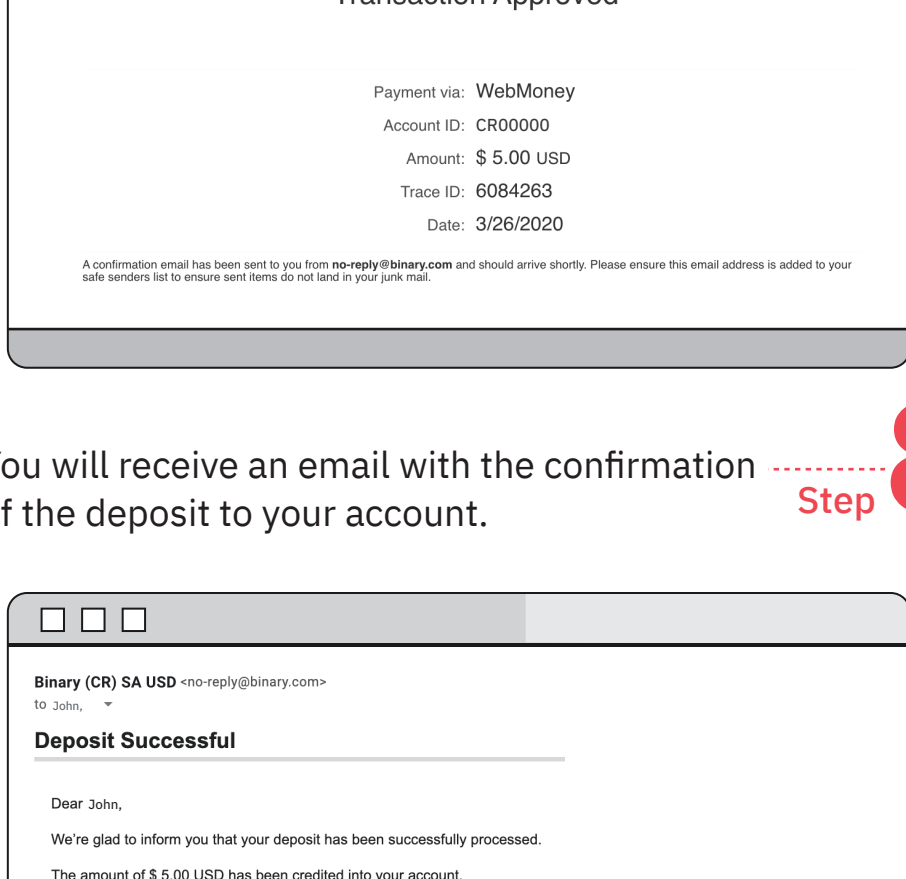

**Step 5** Enter your WebMoney account credentials and then click on Go to payment.

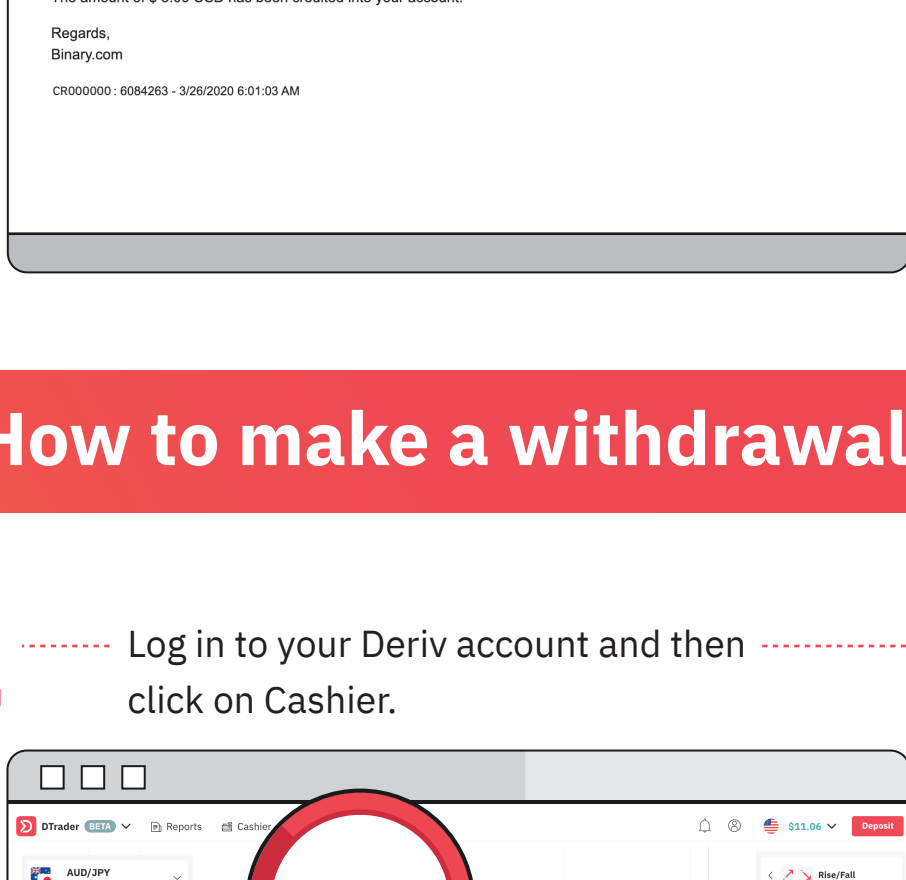

Choose your method of authentication and enter the given code. Once done, click on Confirm the payment.

**Step 6**

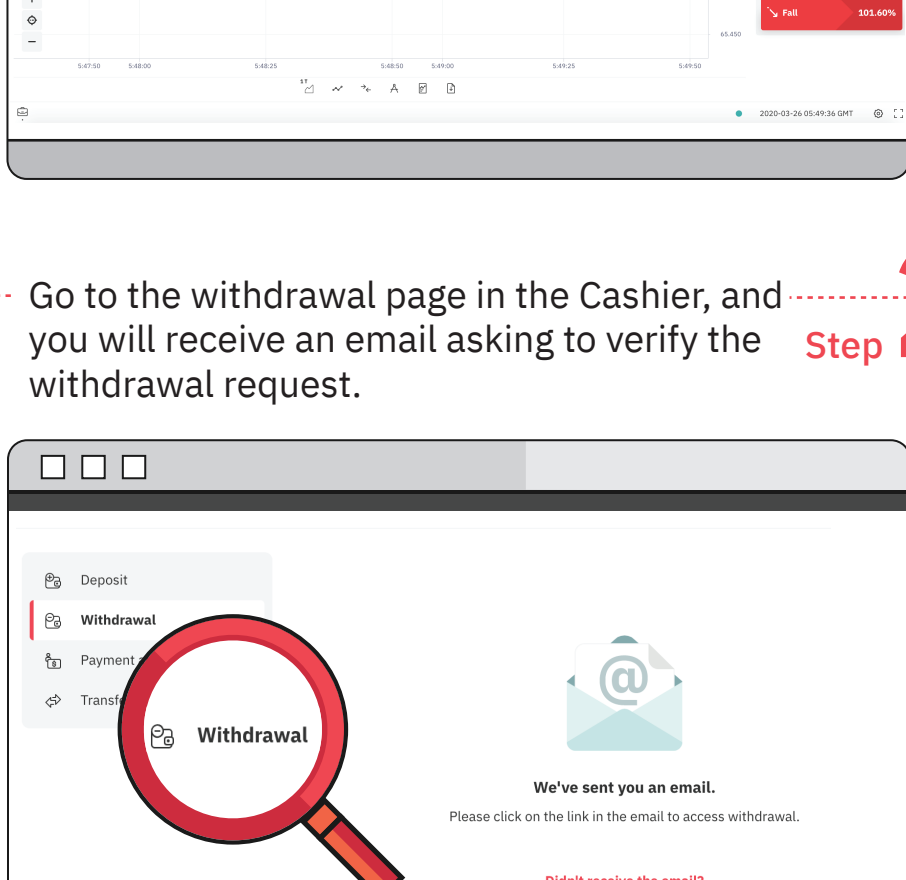

**Step 7** You will see a message stating that the transaction has been approved and successfully deposited into your account.

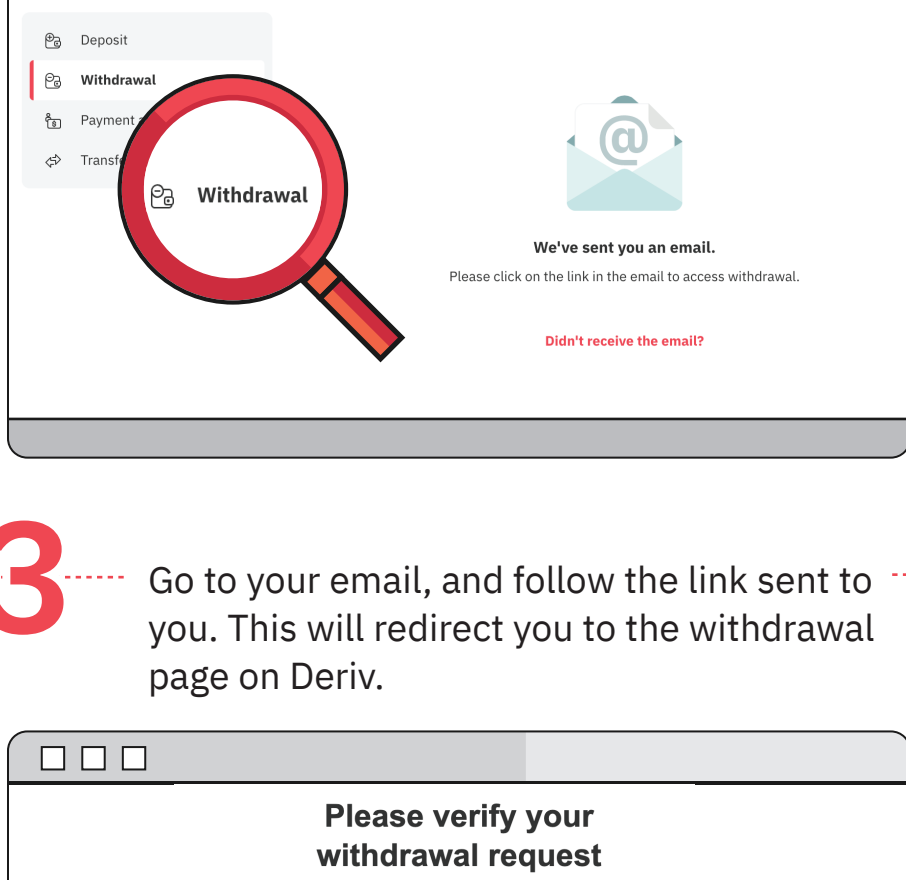

You will receive an email with the confirmation of the deposit to your account.

**Step 8**

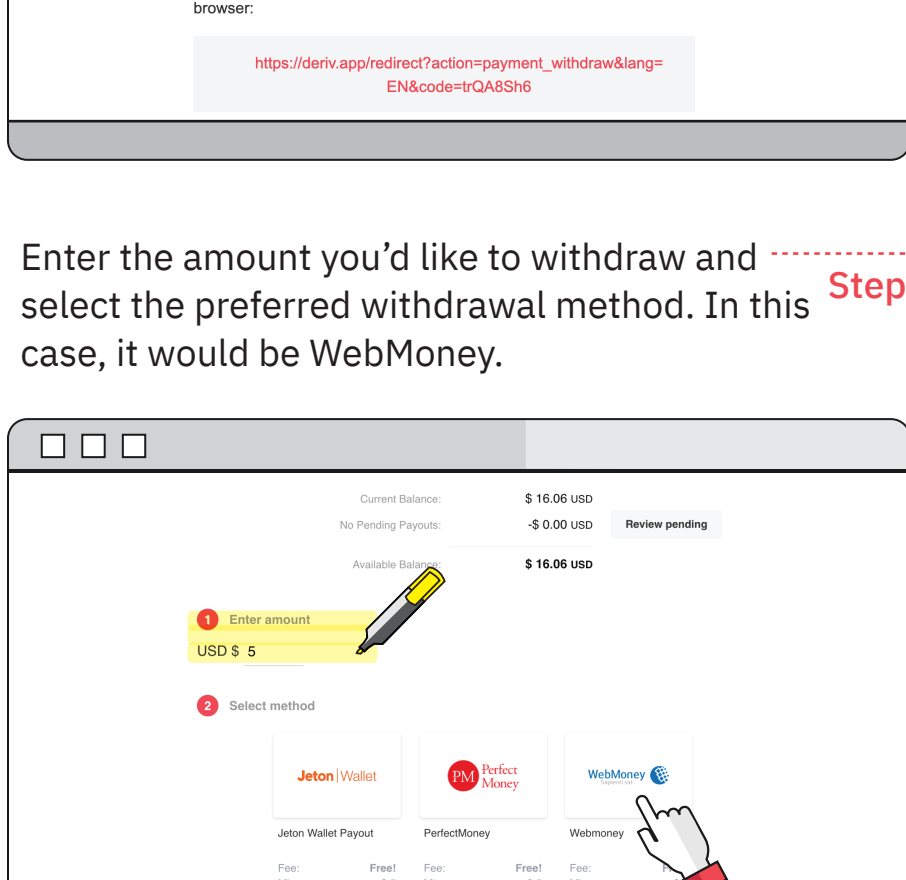

**How to make a withdrawal**

**Step 1** Log in to your Deriv account and then click on Cashier.

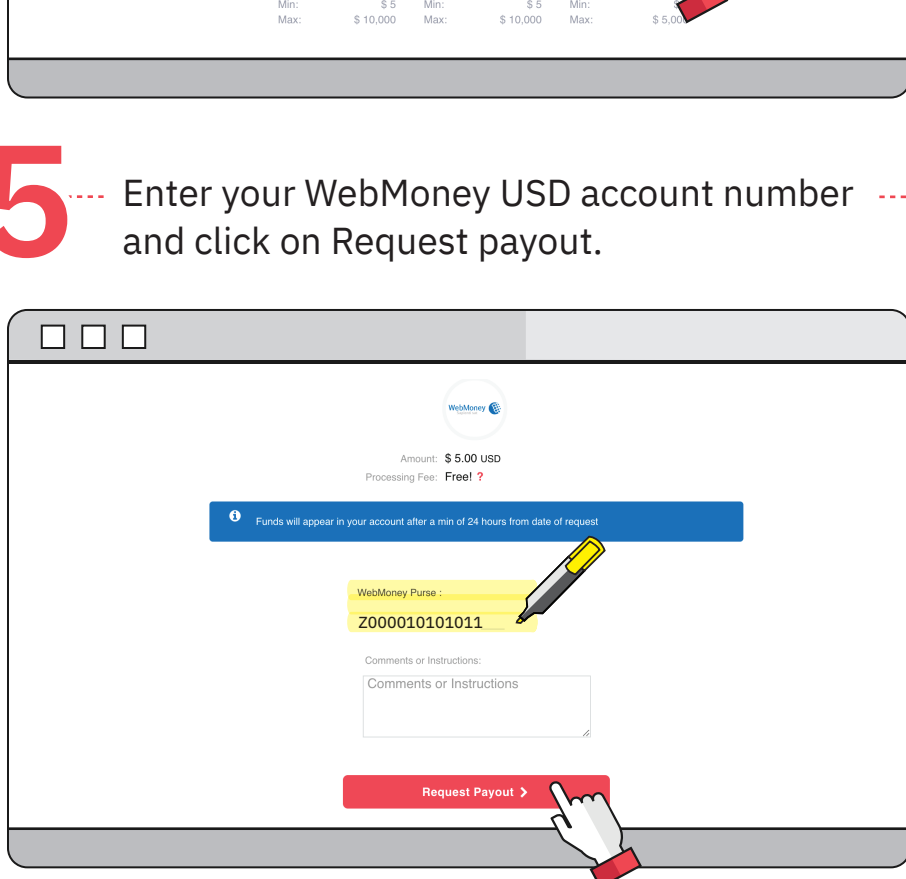

Go to the withdrawal page in the Cashier, and you will receive an email asking to verify the withdrawal request.

**Step 2**

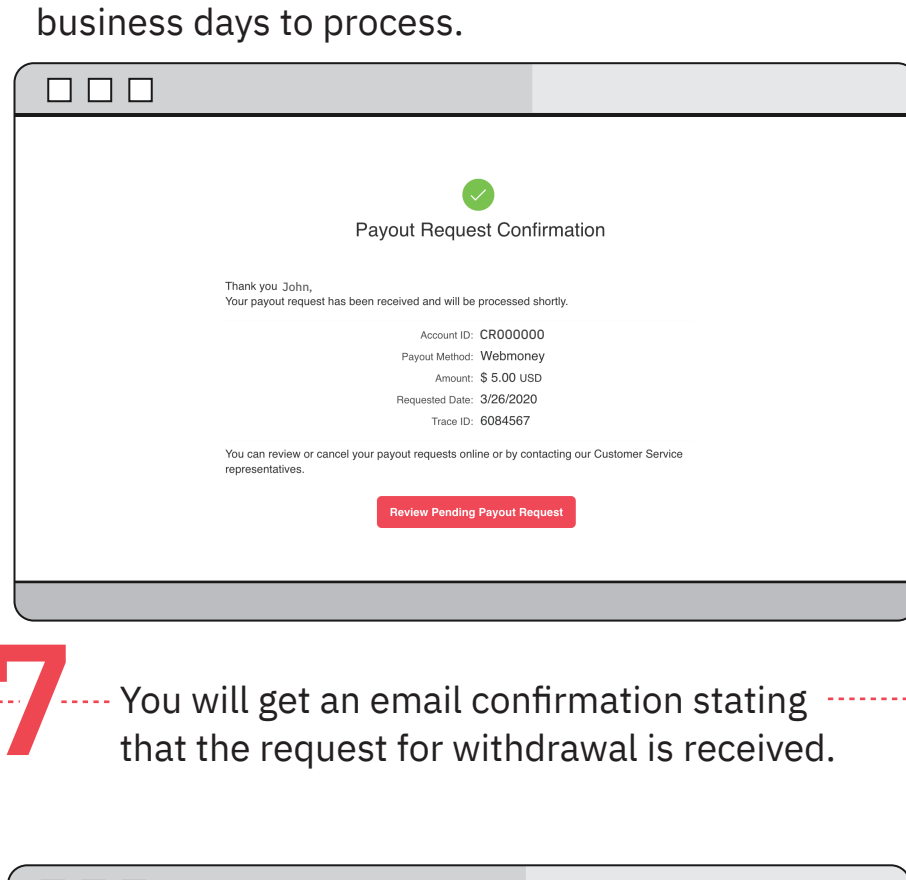

**Step 3** Go to your email, and follow the link sent to you. This will redirect you to the withdrawal page on Deriv.

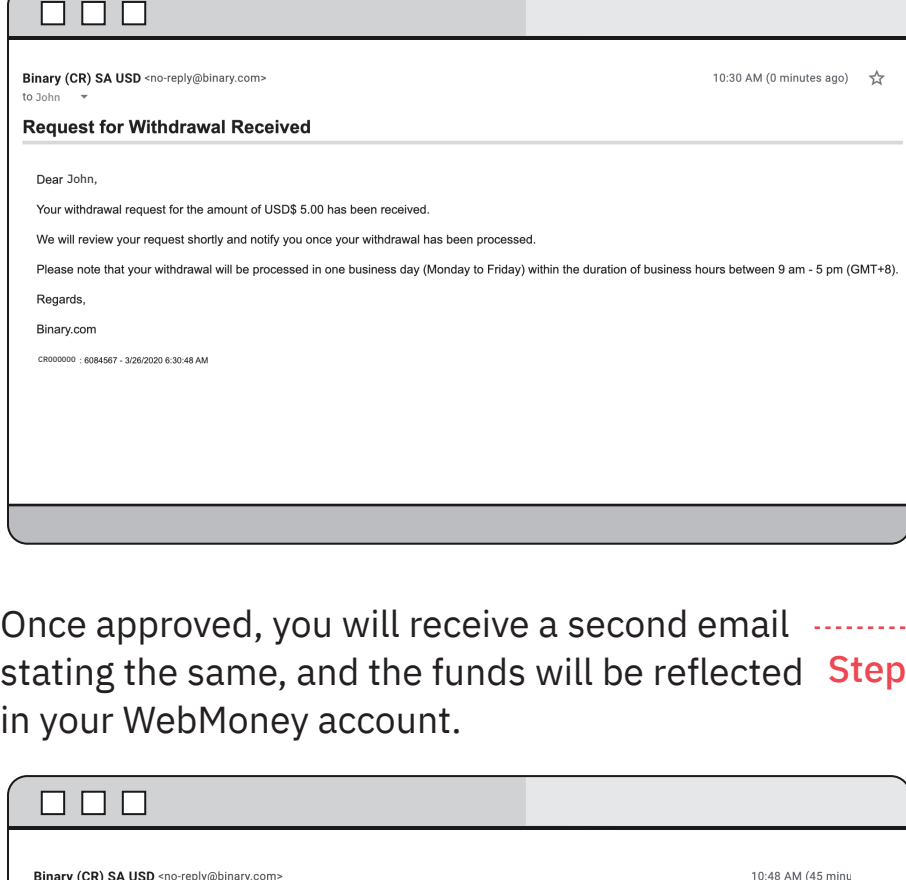

Enter the amount you'd like to withdraw and select the preferred withdrawal method. In this case, it would be WebMoney.

**Step 4**

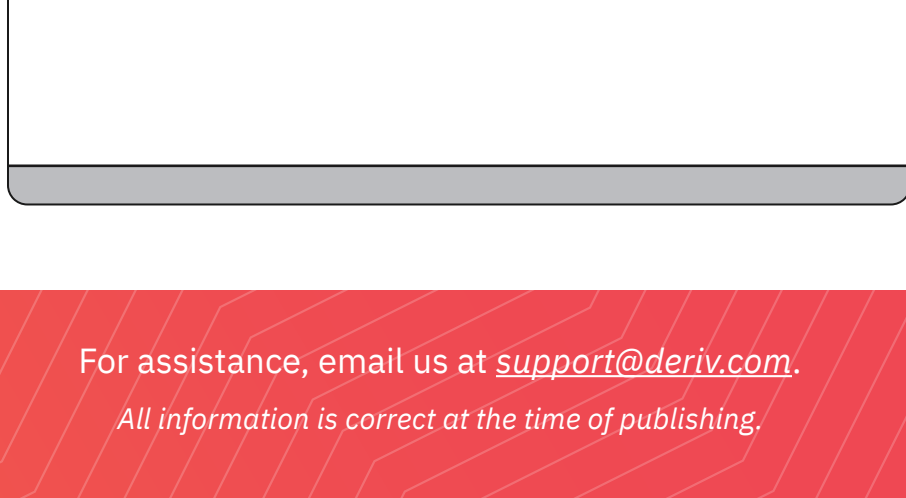

**Step 5** Enter your WebMoney USD account number and click on Request payout.

Your payout request has been sent. This would be pending authorisation from our Payments team. It can take up to 2-3 business days to process.

**Step 6**

**Step 7** You will get an email confirmation stating that the request for withdrawal is received.

Once approved, you will receive a second email stating the same, and the funds will be reflected in your WebMoney account.
