1. Your funds and transfers

- 1.1 The money that you give us is never invested on your behalf in securities, futures, currencies, derivatives, or other investments.
- 1.2 We offer you various payment methods, each with their own processing time. Some of these methods will only work for deposits and not withdrawals. For more information, see a detailed list of available payment methods.
- 1.3 You should not use your Deriv account as a banking facility. Deposit into your account only if you have the intention of engaging in trades.
- 1.4 We are not a financial institute, so we do not pay interest to you for your deposits with us.
- 1.5 You can transfer between accounts denominated in different currencies up to a maximum of USD 2,500 or its equivalent. Please note that exchange rate fees may apply to transfers between different currencies.
- 1.6 You can transfer currency pairs between a Deriv account and a DMT5 account.

2. Bonuses

2.1 Deposit bonus

- 2.1.1 A deposit bonus will be processed and credited to your account when both of the following cases are true:
 - You have made the required minimum deposit.
 - You have reached a turnover that is five times the bonus amount.
- 2.1.2 Both the deposit and the deposit bonus amounts are clearly displayed when this type of promotion is available. For example, if you choose to participate in a 'Get \$25 when you deposit \$100' promotion, we will add an additional \$25 to your account when you deposit \$100 AND when you have purchased at least \$125 worth of trades ($\$25 \times 5 = \125). The bonus will only be credited to your account when both of these conditions are met.
- 2.1.3 When the bonus is credited to your account, you may withdraw the bonus and any winnings generated from it at any time.
- 2.1.4 You may use the deposit bonus only when you have opened a real money account.
- 2.1.5 You can receive the deposit bonus only if you are a new client, and you will be eligible for it only once per household. If you are an existing or former client, you do not qualify for this bonus.
- 2.1.6 This offer cannot be used in conjunction with any other offer.
- 2.1.7 The bonus will be added to your account when you make the required minimum deposit in a single transaction. If you make multiple deposits in an attempt to accumulate the required deposit amount, you will not be eligible for this bonus.
- 2.1.8 We reserve the right to cancel or prohibit the use of deposit bonus promotion at our own discretion at any time.
