If there are any inconsistencies or deviations between these supplementary terms and conditions and the rest of the documents on our [Terms and conditions](#) page, these supplementary terms and conditions shall prevail. If any material changes to any of these terms and conditions are made, you will be notified and will be afforded the opportunity to either accept or reject the new terms and conditions.
- 1.3. Please note that DTrader and DBot in Binary (IOM) Ltd only offer synthetic products.

2. Complaints and disputes

- 2.1. If you would like to file a complaint about our service, you can send the details related to your complaint to us at complaints@deriv.com. We will investigate your enquiry and send you a final response within 15 working days.
- 2.2. If your complaint relates to our data processing practices, you can submit a formal complaint to your local supervisory authority on data processing practices.
- 2.3. If you have made a complaint to us and you are unsatisfied with our response, you can submit your dispute by visiting the Independent Betting Adjudication Service (IBAS), an Alternative Dispute Resolution (ADR) entity, and filling the IBAS adjudication form. Please note that IBAS deals with disputes that result from transactions.

3. Protection of your funds

- 3.1. We have a loan agreement between us and our parent company so that in the event of insolvency, we are able to meet our obligations to our clients. This loan will always, at minimum, cover any liabilities owed to clients.
- 3.2. We follow the Gambling Commission’s requirements for the segregation of customer funds at medium level protection. To learn more, please refer to How gambling businesses protect your money on the Gambling Commission website.

4. Know Your Customer

- 4.1. To open and maintain a Deriv account, you need to be over 18 years old.
- 4.2. To use a demo account, you must provide us with proof of identity (POI) to verify your age.
- 4.3. When you register for a real account, you need to provide proof of address (POA) to authenticate and make use of your account.
- 4.4. We monitor your account to ensure you are protected from gambling-associated risks. We are legally obliged to do so under our social responsibility policy.

5. Trading risks and liabilities

- 5.1. Gambling debts are enforceable according to the laws of the Isle of Man.
- 5.2. A “reality check” alert at certain intervals will be displayed even when you are using the trading robots that you have built on DBot to automate your trading. The alert will suspend the trade and will require your confirmation to end the session or return to the trade.

- 5.3. Due to our obligations under the responsible trading policy, we reserve the right to assess and safeguard your account by setting limits to your trading activity as deemed proportionate and necessary for your protection and may terminate our business relationship with you if we deem it necessary. Please visit our [Secure and responsible trading](#) page for more information.

6. Security and privacy

6.1. General

- 6.1.1. We operate in full compliance with the General Data Protection Regulation (GDPR) and other applicable data protection laws. These regulatory measures oblige us to use your personal data according to the principles of fair and lawful information processing.
- 6.1.2. Any processing of personal data undertaken by Binary (IOM) Ltd will be in compliance with the present agreement and the terms of our [Security and privacy policy](#).

6.2. Profiling and categorisation

- 6.2.1. We reserve the right to use your personal data that we collect from you to profile you in relation to our products. We do this manually with the assistance of automated processing. In this way, we are able to provide you with the most appropriate products and services.

6.3. Transfer of data

- 6.3.1. We may need to transfer your personal data to any of our business associates or payment providers within or outside of the EEA, including countries that might not offer an equivalent level of protection of personal data, for the purpose of processing by third parties.
- 6.3.2. We may also transfer your data to third parties outside the EEA for content delivery services, for customer relationship management services, and for communication and marketing services.
- 6.3.3. In all instances, we take all reasonably necessary steps to ensure your personal data is treated securely and in accordance with this privacy policy and in compliance with any applicable data protection laws. These steps may include placing a contractual obligation on third parties or ensuring that third parties receiving your data are certified under an approved certification mechanism such as the one on the Privacy Shield framework.

6.4. Access to personal data

- 6.4.1. If a law or regulation or the order of a court of a competent jurisdiction or a governmental or law enforcement agency requires us to disclose your personal information, we shall promptly notify you, as deemed appropriate, to give you the opportunity to seek protection for the information for which disclosure is sought unless we are legally prohibited from doing so. Any such required disclosure shall not be interpreted as a breach of these terms and conditions.

6.5. Data retention

- 6.5.1. We keep your information for the whole of the duration of your subscription with us. If you choose to close your Deriv account, your data will be kept only until our legal and regulatory obligations on data retention are met. We shall delete your data when the applicable retention period expires. The criteria we use for determining the retention period for your personal data will be any applicable regulatory requirements or legal obligations, including tax, gambling and anti-money laundering laws, or to establish or defend potential legal claims.
